## PRESIDENT'S WOOD PILE

Dear Members,

First of all, I would like to announce that we will not have a regional meeting with the Fostoria Coin Club this year. Unfortunately, we could not get enough collectors to take interest in attending. We only had about six members who said they would be for a meeting. We did not think that such a small number would justify our spending around \$500.00 of the club's money. We will try again next year.

I attended the FUN show in Florida around the first of January, looking for wooden money I need for my collection. There were almost none to be found. As a matter of fact, there were more collectors than wooden nickels at the show.

A point I need to bring up. PLEASE send your dues payment to either the club Secretary or Treasurer. Some have sent their dues to me and I cannot tell who else. By send to me, it just delays things and also costs more money for the club to mail them.

Along the same lines, please send your dues in if you have not done so already. The dues are still \$7.50 for United States residents.

The auction in Chips last month is run by Robbin Quinn and not the club.

Bill Snider

## FROM THE EDITOR'S DESK

Sorry that the Jan. issue is so late. Due to family health problems and working two jobs, things were on the back burner for a while.

The mail bid in last month's newsletter and in the Feb. & next issue are being run by me. These wood issues are the collections of five different people. Three have passed away and two are both non collectors. I hope you will find some issues that you are looking for in the three or four that I'm putting together.

Material is needed for your newsletter. Send to the editor so we all can enjoy it.

Robbin Quinn

## PRESIDENT'S WOOD PILE

Dear members,

The Time has come to start thinking about the annual meeting. This year it will be held in Denver in conjunction with the ANA anniversary. Needless to say I would like to see all the members there.

The last time the annual meeting was held in Denver, about 10 years ago all the board members were present. There were also a good number of members present. Let's hope there will be a wonderful turnout this year as well.

I will be working on a place for us to stay so we can get together for a little fellowship after the hours of the convention. There is usually a good number of trades that go on at the hotel.

I'm working on a time and date for us to have our meeting. The ANA has in the past been very helpful in providing a place for us to meet. I am also working on us having a booth to pass out woods and sign up any new members that come along. If I remember correctly, in Denver the last time, we signed up three or four new members. One last time, anyone who has not paid their 2006 club dues, please do so at once.

Bill

## FROM THE EDITOR'S DESK

As of this mailing, Shelley is still in the VA hospital in Cleveland. The knee replacement went well, and she wants to come home NOW. I have run out of pre-signed membership cards and wait at the door for her return. Please mail in your dues payment to avoid being dropped from the mailing list. There are some nice mail bids still to be posted in the March, April, and May newsletters. Thank you to all who sent in their mail bids on these postings. Robbin Quinn

## PRESIDENT'S WOOD PILE

Dear Members,

It is once again time to start thinking about making plans for the annual meeting. This year it will be held in Denver, CO. The ANA has sent me the information that they have planned for us to have our meeting on Wednesday morning. I called them to request that our meeting date be changed to a later day of the week. They have it under study to see if we can change it. The reason for the change is that some members might not want to spend so much time there. I will probably have the definite time by next issue of Bunyan's Chips.

I'm still working on a place for us to stay while in Denver. I am not having much luck in finding a place that is both inexpensive and has an easy access to the convention center.

At this time, I would like to ask all members to donate something for the annual auction and raffle. This can be either some extra woods, or any items to be auctioned off. We can also accept funds to be used as a years free dues which make a great raffle prize. I might mention that this is the largest fund raiser we have throughout the year. It is what helps to keep our annual dues from going through the roof. Our dues are still one of the lowest among any national organization. Please mail your donation to Robbin Quinn, 5295 Beechwood Road, Ravenna, OH 44266-9119

Till next month,

*Bill*

## FROM THE EDITOR'S DESK

As Bill has noted above, I'm putting together the raffle and auction for this year's Denver ANA. Please send your donation as soon as you can to give me time to put it all together. We all were spoiled by Virginia doing these functions for so many years and I can only hope to one day do as good at it as she was. Remember that a donation of \$7.50 will be used towards a year's free dues and makes for a real nice raffle prize.

Shelley is now using a cane to walk and is doing much better. We hope that by the end of April she will be once again running circles around me as before.

Does anyone have Brian Stone's mailing address? The last three newsletters were returned stating that the address was no good. All were mailed to a Post Office box at his last known address.

## COIN CLUB ISSUE FOR SALE

The Greater New Bedford Coin Club has issued a wood for their Jan. 29<sup>th</sup>, 2006 coin show. This issue is printed in blue ink and pictures a sail boat on one side and the club logo on the other. Woods are 25 cents each plus a large SASE. Club asks that you send additional postage when ordering more than four woods. Send your order to C.C. GRTR. N. B., P. O. Box 2991, New Bedford, MA 02741

## WOODS FOR SALE AND TRADE

I have hundreds of woods that I would like to sell and trade. Contact Floyd Thomas, 6505 Mullen Road, Shawnee, KS 66216-2142

## CHRISTMAS ROUNDS & FLATS

Have a large collection of some twenty plus years of Christmas wood issues. If you would like a nice mix of these for your collection, please contact the club editor to work out a sale deal. This is part of a past members collection being sold off to fellow club members. Thank you.....

## A DAIRY QUEEN UPDATE

At last year's wooden money swap meet in Hermitage, PA. I picked up two more dairy Queen wooden tokens for my collection from Norm Boughton. The first one is from Richfield, Minnesota and has a type #1 reverse. The second one is from Marinette, Wisconsin and has a type #2 reverse. Both are the traditional red in color. Neither of these tokens are listed in my book "A PICTURE GUIDE BOOK OF THE DAIRY QUEEN WOODEN TOKENS".

If anyone has any Dairy Queen tokens to report, please send me a good clear Xerox copy, or the tokens themselves, so that I can include them in a future "Dairy Queen Update" or my book should I decide to issue a second edition, and be sure to indicate the colors of both sides of the tokens. Send all information to me at P. O. Box 124, Highspire, PA 17034

I recently received several Dairy Queen woods to go through from Darrell Luedtke, and among them I found two that I could add to my collection. One is from Wichita, Kansas and was already listed in my book. The other one was not listed and it is pictured below. It is from Ligonier, PA. This issue is different from the usual dairy Queen's. It is black in color instead of the traditional red. Also the design is quite different. I received a note from Frank Kozma in Kissimmee, Florida, to inform me that the Delaware wood that has been listed in a previous Update was not from the state of Delaware but from Ohio. I checked this out against the list I have of dairy Queen's and sure enough, the address on the wood corresponds with the address listed for the Delaware Dairy Queen in Delaware, Ohio. Thanks Frank.

Know of new wood issues in your area. Send the information to the club editor and have it posted in an issue of Bunyan's Chips. In need of material for this years issues.....

## PRESIDENT'S WOOD PILE

Dear members,

As the time for the annual convention and meeting draws near, I finally found a place to stay in Denver. It is the same location as we had the last time we met in Denver. Rooms are being held for us at the Motel 6 Central located at I-70 at Federal Blvd exit #272. The rates will be \$39.99 on Tuesday, Wednesday & Thursday nights and \$49.99 on Friday and Saturday nights. Add \$6 per extra person staying in the same room. All this is plus the usual taxes. They do honor senior rates. You must ask for the discount.

I have rooms set aside for our use and they will hold them until July 15, 2006. After that they might not have the rooms available. To make reservations you may call the toll free number for groups, 1-800-544-4866. Ask for the Wooden Money Club and the number M115500011.

*Bill*

## FROM THE EDITOR'S DESK

I have received very few bids on the May mail bid in the March newsletter. It has been requested that all single wood items carry a min. of \$1.00 each. Please help to put a deceased member's wood collection into the hands of collectors and not the land fill. The inserted mail bid that will close in June, is for the most part, the last of the collections I've been helping to sell off. I will put the unsold woods into part of this year's ANA door prizes. Please mail in your donations for the ANA. Remember that a year's free dues (\$7.50) makes for a great raffle item. Thank you to Ken Paulsen, Elmer Oehkle, Donald Thibodeau, Don Charters, and Gerard Braithwaite for their donations. A real big thank you to member Jim Glover for his sizeable donation of official woods for this years ANA auction block.

*Robbin Quinn*

Editor is in need of material for Bunyan's Chips. Articles about wood issues are welcome. Do you know of a wood issue from your area? Send info about the event and the wood issue to the editor to have a story put into BC. Ads from members are free!!!!!! Send in your ad to buy-sell-trade.

I recently received from Rich Boyles a copy of a Dairy Queen wood from Barnesville, MN and shortly thereafter a Dairy Queen wood from Apopka, FL. Both are in my book "A PICTURE GUIDE BOOK OF THE DAIRY QUEEN WOODEN TOKENS" but these are two different varieties. Both of these are the traditional red in color but the Barnesville token has a type 5 reverse while the Apopka token has a type 3 reverse. Later I received some woods from Norm Boughton and among them was a Dairy Queen token from Stayton, Oregon. This token is also in the traditional red in color but this one has a type 2 reverse. The Obverse of all three tokens are shown below.

If anyone has any information on Dairy Queen's or tokens they would like to report send the information to me at the address listed below, or if you have tokens to sell or trade contact me or call me at 717-944-9586. If I'm not home leave a message on my machine and I will get back to you. Write to Bob Brown, P. O. Box 124, Highspire, PA 17034

## PENNIES-WOOD NICKELS-FAME

Wooden nickels are used to celebrate Bicentennials, Centennials, Festivals, Homecomings, Jubilees, and many other events which have many meanings to people in their everyday lives.

The wooden nickel in the article represents the dream of one individual.

George D. King (known as the Penny-Van Man) had a vision or dream about covering his vintage van with wheat pennies. He used 48,773 (\$487.73) to complete this task. At the time of this adventure one must wonder if George realized how the value of his project would increase in value.

George was from the town of Forest City, NC. His accomplishment not only put Forest City in the lime light, but earned him the title of Penny Van Man. This feat also placed him in the Ripley's Believe It-Or-Not for his creative or decorative use of money as a decorative medium. His noted accomplishment and dream is also on a wooden dollar that George issued as well. After all this time there are questions about this feat..... Where is George King? After research in Forest City, no one knows what became of him. Where is the penny van located? Its location can not be found. Is the van in whole or has it been disassembled? George showed us what you can do if you just stick to your two cents worth or \$487.73 worth of pennies. Check your collection and see if you are one of the lucky one's to have George King's 2" wooden dollar issue. If you have information about George King or the Penny Van, please contact me so I can complete the rest of the story. James R. Glover, 22 Saddlewood CT., Durham, NC 27713-9346

### PART TWO NOW AVAILABLE

The April issue of the Buckeye And Keystone newsletter for the Penn-Ohio Wooden Money Collectors, says that part two of the "Lake Erie Lighthouse Series" is now available to collectors. If you purchased part one and did not receive notice that part two is now for sale, or might have forgotten to order part two, now would be a great time to mail in your request. Part two is \$15.00 post-paid. Send to POWMT, 3925 N. Ridge E. #64, Ashtabula, OH 44004. Part one is also \$15.00 and both part one and two make a 50 piece set of Lake Erie Lighthouses. Part one covers the United States side and part two covers the Canada side of Erie. The two sets make for a nice addition to your wood collection, as a gift to family, or for friends. A nice job was done by Al Schubert and the local members of the POWMT. I'll order my set and run an ad with some of part two's issues as I did with part one. A big thank you for the time and effort on their part to add such a nice set of woods to your collections and to offer as gifts.

KEEP THE WOODS A ROLLEN !!!!!

## UPDATED LISTS OFFERED

If you collect Quoddy Moceasins tokens, Dunkin Donuts, or even the McDonald's Senior Citizens wood issues, there is a listing on them. These three listings were all up dated last September and are offered by Norm Boughton. All Norm asks is that you send \$1.00 per listing to cover the cost of postage. Write to Norm Boughton., P. O. ## AUTUMN LEAF FESTIVAL

by Robbin Quinn

In 1953, the first recognized Autumn leaf Festival was held during the Clarion State College Homecoming. Businesses were asked to decorate, adding a touch of color to the town. Little did anyone who was involved with the start of the festival, know that it would grow and become what it is today. The following year, 1954, the Clarion Chamber of Commerce had an idea. Since the leaves were colored and beautiful during the fall, a larger festival would attract even more people to the area. Two parades were offered. The first was held from 9:30 a.m. until noon. It included veterans from foreign wars, Girl Scouts, volunteer fireman, the Lions' Club, the Autumn Leaf Queen's float, an seven Clarion County bands. There was a cash prize of \$50.00 for the best band performance. Then two and a half hours later, the Clarion State Teachers College held their homecoming parade with many beautiful floats made by local fraternities.

Early years of the Autumn Leaf festival did not include rides, but slowly, people became more interested. In 1954, 1,000 people attended the festival. In 1955, a wider selection of events were being offered. Scenic tours were offered, the local newspaper published much about the local events taking place. Also added were a fishing contest, ball dancing, and large groups of Scouts had joined in the march thru Clarion. Due to the growth of the festival, businesses donated money and the "fine-o-meter" was used. This was used to collect fines for parking tickets. Unfortunately, many didn't take the fine seriously and problems arose when people did not pay their fines. In 1956, local businesses donated monetary prizes for the float competition whose theme followed movie titles. A much larger turn out than in 1955 was seen. Merchants held a

three-day "Harvest of Values" to promote local businesses. Aunt Jemima arrived on the first day to help the Kiwanis Club with their pancake festival. In 1958, the Autumn Leaf Festival earned status as a permanent event. The Chamber implemented a committee to organize the festivities. With bands, cars, horses, marching units, and drill teams, joining with the growing number of beautiful floats, the parade lasted one hour and 15 minutes. Now enjoyed by the thousands that come every year. In 1959, activities included a Pennsylvania State Police rodeo, teenage rock 'n roll show (loud music and acting very strange), a U. S. Air Force band performance, a number of celebrities were in town during the week, and Governor David Lawrence. There were contests in fiddling and corn husking. All total there were 106 units in the event that year. An estimated 10,000 people arrive yearly for the Autumn Leaf Festival in Clarion, PA. The weekend event has grown and much has been added every year. As with any event, the larger it becomes, the more it attracts to the event.

The 80's and 90's find the ALF captured the beauty of fall foliage, it has become more organized, structured, and longer in duration each year. During the 1959, 1967, 1975, and 1978 events, there are wooden nickel issues with these dates. The 1959 has an Indian on the obverse. The 1967 issues sports a lucky clover on it. In 1975 they have a Buffalo printed on them, and the 1978 wood is for their 25<sup>th</sup> Silver anniversary, Indian face value five cents. In sending a letter to the Chamber of Commerce, I was informed that there has never been a wooden nickel printed up by the Chamber, nor have they given the okay for a company to print any. It has been 52 years and I'm sure there is someone around their office that remembers these years and not seeing any wooden nickels being handed out. I'm sure that more than one business came up with the idea to use them to help promote the yearly event and bring in more business for them selves. Many events from the 40's, 50's, and even the early 60's that have wood issues, have little or no history behind them. You can contact any business or Chamber of Commeree and it will be the first time they have seen the wood issues.

Next month I'll tell you about the two Spinach festivals being held each year from two cities that both boost they are the **Spinach Capital of the World.**

## PRESIDENT'S WOOD PILE

I finally received a confirmation from the ANA about our annual meeting and convention. We are set up to meet on Wednesday, August 16 starting at 9:00 am, we are scheduled for four hours, which is usually the amount of time we need for the meeting and raffle/auction. We are getting a booth on the bourse floor to promote our club and hobby. Anyone who plans to attend, we would appreciate some help around the booth. Not much work is required, just passing out free wooden nickels and information about the organization and the hobby. If you cannot help man the booth, just drop by and pass the time of day with those that can help out.

Please send all donations to Robbin Quinn so that they can be cataloged and listed for the annual meeting. All donations are accepted, they do not have to be wooden money, although that seems to be the most frequent items sent.

I do hope to see a good many of you at this year's convention in Denver. There is usually a good time had by all.

*Robbin*

## FROM THE EDITOR'S DESK

The turn out of donations from both club members and non club members have been super. Fact is, we have no more need of donations for the raffle or the auction. We collected enough material to cover both functions for this year. The donation of a year's free dues are still being accepted as it makes for a nice raffle prize for our club members.

Enclosed you will find an envelope with \$5.00 worth of raffle prize drawing tickets inside. Each ticket is selling for 50 cents each. You need only purchase what you want up to the \$5.00 enclosed. If you wish to purchase additional tickets, then mail the funds to me (made out to the IOWMC) and I'll see that the extra tickets are added to the drawing.

The auction listing for the ANA will be mailed out in the early July newsletter. Due to health problems, two jobs, and my mother being moved to a nursing home, the May newsletter was never put together. Both have been combined with this month's issue. Sorry about that!

There will be a very special surprise in the auction listing for this year's ANA. I look forward to many mailed in bids prior to making this year's ANA meeting.

Look forward to seeing all who attend this year's meeting in Denver.

## PRESIDENT'S WOOD PILE

I received a notice of resignation from the editor, Robbin Quinn. It is to be effective at the first of the year. He has done a wonderful job during the Twelve years that he has been in this position. I have asked another member to take over the job and he has agreed to on a temporary basis until a new editor can be found.

I would ask any of you out there to notify me if you would be interested in taking over as editor. Also if you cannot but know someone else who might, let me know of that person. I will gladly contact anyone to explain what will have to be done.

As of the printing of this newsletter, we now have less than a month before the annual meeting in Denver. I do hope that many of you can make it to Denver. The last time we had a convention there, we had a wonderful time. There was a lot of swapping woods in the motel rooms after the hall closed for the evening. There was also a very good place to eat that was next door to the motel and the route to the convention hall is easy and only a short distance.

Until next month,  
Bill Snider

## FROM THE EDITOR'S DESK

As some of you may have already known prior to the opening statement from Bill Snider, I have elected to step down as your club editor after what has been a great 12 years. Due to my work and family matters, it is best that I pass the duties onto another as soon as possible. I will be at the Denver ANA to conduct the door prize, raffle & auction for this year. I have sold off nearly all of my wood collections and will also drop from the club once a new editor or temp has been accepted to fill the position. I thank all of you for the many great years we had together, and for the friendships I have made (and lost) along the way. I wish you all the best of health and a wood collection you want to own. Again, thank you to one and all.

Robbin A. Quinn R-1712

## EDITOR'S CORRECTION

Last month there was an ad for the wood issue from the Coin Club of Greater New Bedford. There mailing address was omitted. Mail to the C.C.GRTR. N. B. P.O. Box 2991, New Bedford, MA 02741

## WOOD ISSUE FOR SALE

Louisville Coin Club 2006 show wood for sale to collectors. Printed on both sides in red ink. Buffalo & Indian reverses. \$1.00 for both postpaid in padded wrapper. Mail payment to Bill Snider, P. O. Box 14402, Louisville, KY 40214

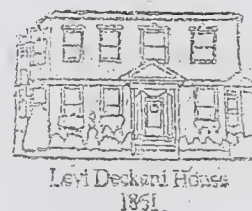

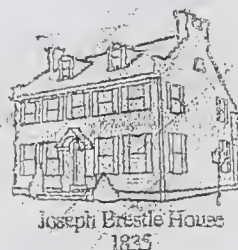

Cecil Stanford notes that he has a collection of 400 woods in a binder that he will sell for a fair price. Write to Cecil at 928 7<sup>th</sup> Ave S., Jacksonville Beach, FL 32250-4208

The response from the members of IOWMC and from outside our organization for material for this years raffle & auction has been better than ever. At last count we also have 17 one year free dues to raffle off for next month. I would like to thank everyone who took the time to mail material and dues payments to us. I've been hard pressed to find free time to work on all three areas for this years ANA but will pull it together prior to next month. The auction for this year has been inserted to allow members the chance to mail or email there bids on these lots. I am very sorry that more time could not be given to this year's auction. Total figures and a list of names will be printed in the September newsletter. Thank you.

Robbin Quinn Raffle & Auction 2006

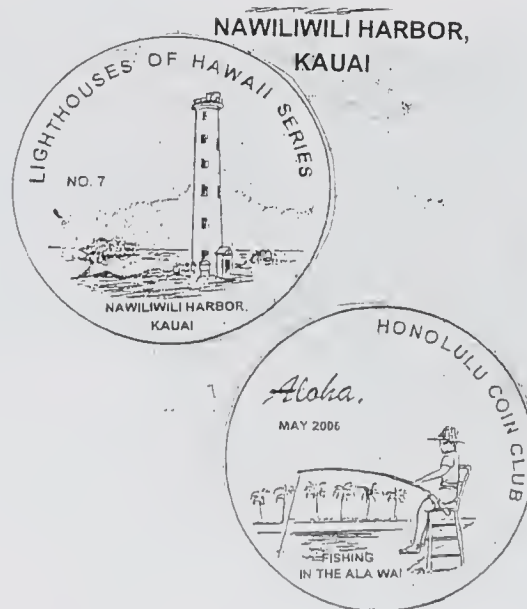

## COLONIAL CRAFT FAIR WOODS

The Middletown Area Historical Society held it's annual Colonial Craft Fair at Hoffer Park in Middletown on July 10 & 11, 2006. Below are the two woods that the Society issued for that event. On the obverse is Middletown Area historical Society 2006, and on the reverses are the Joseph Brestle house/1835 and the Levi Deckerd house/1861. The woods are green in color and can be ordered from the Society for 50 cents a set plus an SASE or sufficient postage. To order write to the Middletown Area Historical Society, P. O. Box 248, Middletown, PA 17057

## COMMON MIXED WOODS FOR SALE

Mostly different woods for 6 cents each. I also buy-sell-trade. Contact Bill Saitta (727) 546-2110 [wsaitta@earthlink.net](mailto:wsaitta@earthlink.net)

The Honolulu Coin Club requests that you send \$2.00 per wood order to cover the sale and the postage. mail your orders to the Honolulu Coin Club, P. O. Box 29005, Honolulu, HI 96820

## PRESIDENT'S WOOD PILE

Dear Members,

Another convention has come and gone. We had about a dozen people attending our meeting, including seven officers and representatives from the press. There were members from at least ten states at the convention.

All business was taken care of in a timely manner. The most important matter was the election next year. It seems that all offices but one are coming open. I know that some of the ones that are holding office now will probably be willing to run again, but there are several that do not intend to hold any more offices in our club. This is the first plea to all members to think about running for some office next year. I will bring this matter up more later.

I want to thank the American Numismatic Association for their help in getting a room and booth for our use. This year our booth was on the bourse floor, and we had a lot of people passing by and receiving some of the free wooden nickels and information about our club and history of the hobby.

I found out at the convention that the founder of our organization, Wendell Morningstar, passed away this past year. We wish to pass along our sympathy to Thelma.

Robbin Quinn has resigned as editor of Bunyan's Chips effective at the end of this year. Norm Boughton, former President and long time wood collector has agreed to be our new editor. All of us can help Norm by suggesting new ideas, sending articles about woods and collecting them, and sending ads for the buying or trading of woods. Remember, all ads are free to members of the IOWMC. Norm and Robbin are getting with each other to iron out all the details so there will be no glitches in the issues.

Bill Snider

## FROM THE EDITOR'S DESK

I know Norm Boughton will produce a monthly newsletter that will be well received by all of you wood collectors. Please help him by supporting the hobby and the IOWMC. I'm step down after a long 12 years as your editor. Due to job duties, family matters and health, it is better that the duty of editor be given to another to insure the issues are mailed out in a timely manner. I have enjoyed my monthly task and being a member of the IOWMC. Once the material and task are passed to Norm, I'll be resigning from the club as well. As I stated in the last issue, I wish you all the best of health, and a great wooden money collection.

Robbin Quinn- editor IOWMC

### ANA MINUTES AUG. 16, 2006

Meeting was called to order at 9:05 by President Bill Snider. A moment of silence for our deceased member Mary Cushing. All who attended stood and introduced themselves. The secretary's report was read by Shelley Quinn. There were no amendments and it was approved as read. Del Cushing read the treasurers report and it was approved. Del also put a motion on the floor that club funds be put into a CD to obtain better interest rates for the club. Operating costs for the organization run at about \$150.00 per month. Motion carried by members present. There was no old business. Under new business, it was brought up that next year there will be seven openings in officer's positions in IOWMC. If anyone would like to run for an office, please contact Bill Snider. Meeting ended at 9:45 followed by the club raffle and auction at 10: 00 A.M.

Shelley Quinn- IOWMC Secretary

### SECRETARY'S REPORT SEPT. 2005 TO 2006

There are a total of 165 members. We lost 30 members. We have 22 new members in IOWMC. Norm Boughton signed up the most new members with four (4). Seven have joined due to Coin World articles be published. Last year there was a question as to when to start counting new members. The By-Laws state it goes from ANA meeting to ANA meeting- Shelley Quinn Secretary

A total of twenty eight members sent in material and or free dues for this year's ANA meeting. Material that was received late or was not used will be passed onto the lucky person (persons) willing to do this worth while task for the organization. Having done it for only one year, I can't help but wonder what made Virginia Dennis do this for so many years and so well. Not a job for the light hearted I can tell you. This is my last year as the club editor and also my last year with IOWMC. My collecting interest is no longer with wooden money. I wish you all the best of health and many years of happy wood collecting. Robbin Quinn

### BOOK ON MARYLAND WOOD ISSUES

I have been a member of IOWMC for the past six years. I have put together a book on Maryland Woods. The Maryland Token and Medal Society had this listing published. The material was proof read by Bob Brown. The book has over 150 pages and has 1,400 woods listed inside. It sells for \$20.00 plus \$5.00 to cover postage. Payment can be sent to me. Joe Burford, 331 S. Gilmor Street, Balto, MD 21223. Also, as a discount to IOWMC members, I will sell 10 books for \$18.00, and 20 books for \$17.00, plus postage to mail them. If anyone would be willing to put together a book listing wood issues from their state, they can contact me and I will send them the information on doing so.

The 48<sup>th</sup> Horse & Buggy Days wood is available to collectors. Woods are 25 cents each. Please add extra postage when ordering 2 or more. Mail your request to Elmer Oehlke, P. O. Box 280, Weyauwega, WI 54983-0280

The Casino Chip & Gaming Token Club has issued woods for their annual show. The woods sell for \$1.00 per pair. Order amount up to \$5 please add \$1.50 postage, up to \$10 add \$3.00, up to \$25 add \$5.95. Place orders thru Roy Nelson, P. O. Box 230325, Las Vegas, NV 89105. Past issues and other woods are available so be sure to ask when placing your order.

## FROM OUR PRESIDENT'S WOOD PILE

Dear Members.

The first order of business this month is to welcome Norm Boughton as the new Editor of Bunyan's Chips. Norm is a long time collector of wooden money and has been editor of several other publications through the years.

Since the last letter, I visited the Wooden Money show in Hermitage, PA. which was sponsored by the Penn Ohio Group. This is an annual event, but I am sorry to say that it is the first show sponsored by this club that I have had an opportunity to attend. It was a great show and I want to congratulate Al Schubert and Rich Boyles for putting on such a show. If I left out anyone that should have been thanked, please forgive me.

Also during October, I attended the Indiana-Kentucky-Ohio token (IKO) show. I have only attended this show once before about fifteen years ago. It was a good show then and also now. I managed to find quite a few woods to fill some holes in my collection. Some of the dealers were a little high on prices, but most were reasonable to being cheap on their wares.

Again, I wish Norm good luck in his new undertaking.

*Bill Snider*

## OUT ON A LIMB-YOUR EDITOR'S REPORT

Well here is your first copy from your new editor. It is certainly an issue that instills mixed feelings. Elation at the thought of being a part of bringing knowledge about the wood hobby to all of you and hopefully lots more in the near future and the sadness of saying goodbye to one of our long time collectors.

Of course that elation is tempered by wonderment. Wondering if I am up to the job and wondering if you all are going to support my efforts? I want this to be your newsletter! I can't make it your newsletter if I never hear from you. So send me your ads. What would you like to get rid of? What would you like to add to your collection? What information do you have or what information can you get about woods. What would you like to know about wood collecting?

Do you have a wood that you believe should be listed as an official or a wood that you are not sure what state it is from? If you have access to a computer you can search for all the cities or places with that name. Some have the info on their website as to when founded etc. And most have a listing for their local library. I have found that an inquiry to the library by email will generally get an answer. If you don't have a computer, stop in at your local library or the post office and look in the back of the zip code book. There you will find an alphabetical list of cities. Send a note to the libraries with a copy of your wood. Be sure you include a stamped self addressed envelope (SASE).

Make Thanksgiving even more happy by listing all the things you have to be thankful for.

# A DAIRY QUEEN UPDATE

by Bob Brown

I was recently going through my Dairy Queen duplicates to make up a list to send to a collector and I discovered a Dothan, AL Dairy Queen that did not match up with those in my book. The one in my book on Page 6-1 has a oval O, while the one pictured below has a round O in the word Dothan. Other than that they are pretty much the same. It is the traditional red in color and has a Type 5 reverse.

Then at the recent swap meet in Hermitage, PA Rich Boyles handed me copies of two more Dairy Queen's that are not in my book "A PICTURE GUIDE BOOK OF THE DAIRY QUEEN WOODEN TOKENS". The one is from Wellsville, OH and is the traditional red but does not have the Dairy Queen logo on it. Both sides are shown below.

The other copy Rich give me is from an old Dairy Queen wood from Johnson City, Tenn. This wood appears to be black in color and also does not have the Dairy Queen logo. Instead it features an Indian Head on one side. This wood is also shown below.

If anyone has any Dairy Queen's to report please send me good clear copies, or the woods themselves if you are willing to part with them, and I will see that they are written up in a future Dairy Queen Update with credit going to the person submitting the copy, or wood. I do not list anything that I have not seen a copy of, or the wood itself. I believe a picture is worth a thousand words, so do not just send a listing of the wood for I will not use it.

Thanks to all who have helped in the past. Send all information to me at P. O. Box 124, Highspire, PA 17034.

RON NOBBS Sr. (79) 25 May 27 — 4 Oct 06)

BY: Russ Daisley

The other night I was relaxing when the phone rang. For some unknown reason, I believed it to be bad news and I was correct. Pat Whalen was calling and advised me 'Ronnie' Nobbs had passed away in his sleep earlier that day. The hobby of numismatics has lost a real person who can organize, teach others and had a million ways of collecting. He collected everything like baseball cards, coins, stamps, tax stamps, PEZ dispensers, fruit stickers, and then one of the most favorite category for him, that of woods. Ron established the POWMT organization and he was the club's President for over twenty years, he was the guy to go to to get a talk about something in numismatics and it usually was a series of woods and/or wooden flats. He knew the business and if he was not attending a weekend coin show, you could bet there was an extremely good reason for him not to attend. Ronnie was a Boy Scout Leader in Vienna OH for a few years and a member of the Warren Moose Club. When he walked into a display area and saw one of his good friends, Ron's greeting was "hey, what's canoe". Madeline, Ron's wife was at his side in the wood collecting hobby and was active in POWMT. She he was the real "hostess" at the meetings to ensure there was refreshments and that the club activities were kept on track. Madeline and Ron married on Dec 4<sup>th</sup> 1954 and she was always by her Ronnie's side. And, it was very evident to everyone that the two were a pair molded in heaven and their household reflected so. When they wed, Madeline had 7 kids, and after a few years, there 4 more added to the clan. At the old Mercer County CC, Ron did most of the education and it was sure fast that the youngsters in the crowd were learning the hobby as Ron made it his job to tackle that problem. Ron lost the majority of his hearing a couple of years ago from working with heavy steel and presses at Republic Steel in Warren. Handicapped as he was from the hearing loss, he still found ways to communicate and discuss "coin collecting" things. He did not do great things, but did involve himself in as many activities as he could, but involving teaching points were always in the center of his presentations. I put many years outside of the USA and my contact points for my collection were Adelene Scott, Walter Scott and Ronnie Nobbs. When I returned to the states, Ron was the one who got me back in the middle of my collecting endeavors. He is a valued friend, an ardent collector and the person most folks went to in order to identify wooden pieces, series, values of flats and other groups of woods. I guess, one of the attributes about Ronnie is that when people saw him, they always said, there goes the Number one Wooden Money Collector in the USA. Also, when visiting shows, events, etc., he made sure he talked to EVERY vendor and he always, in a nice and polite way, hassled them for the woods they had hidden to save for others. I was on the tug of war end once with him to get a wood I wanted and needed in my collection. Ron was tough at the time and he did prevail in winning the tug and obtained the wood. I always will look on Ron as a positive person and ready to do his part. We, in the hobby have lost a lot of members, taken by God this year. Let us reflect on those passing and examine the amount of good they have done. I know Ron and the others who have passed would love to contribute, so with that, please place Ron and the others in your prayers and say some words to the Almighty about our lost comrades-friends, and collectors. MAY GOD BLESS YOU ALL, ..EVERY ONE

## FROM OUR PRESIDENT'S WOOD PILE

Dear Members,

I am sorry to say that I did not hear of the death of a long time member, Ron Nobbs, until after I had written the last letter. I met Ron several years ago when he was President of the Penn-Ohio Wood Group. I have visited his house when I was attending a show near there. He and Madeline, his wife of many years always treated me with every kind of hospitality they could muster. He will be missed by all who knew him.

This is the time of year that dues for this club are payable. We ask you to send yours to the secretary, Shelley Quinn, 5295 Beechwood Dr. Ravenna OH 44266. She would appreciate getting them early so as not to have all come in at the last minute.

I attended the Indiana State Coin Show in Indianapolis early this month and I am sorry to say the only woods I saw there were the ones issued by the club to be passed out at the show. Anyone that belongs to any coin club and they do not issue a wood for their show, I ask you to urge them to do so. Coin Club woods are getting to be rare. Some clubs that at one time issued woods do not do so anymore. The woods are a little more expensive to produce. But isn't everything?

Until next time, happy collecting.

*Bill Snider*

## OUT ON A LIMB-YOUR EDITOR'S REPORT

Thanks to the few of you that took the time to let me know you got your copy of my first try. The only way I can be sure you are seeing what you want to see in your newsletter is to tell me what you want to see! One thing that I would like information on is new issues. Don't expect John is going to tell me about them. I am not even sure if we have a John in the club to tell me. So remember this saying I learned in Rotary, "If it is going to get done it is up to you"

I'm sorry I didn't get the info for making Holiday woods for the last issue. I have been assured that if you order immediately they will get the woods out before Christmas.

Also I must apologize to those members who misunderstood the listing for Maurina's listings of McDonald's, Quoddys and Dunkin Donuts woods. That is all they are—a listing of what she knows exist in those categories. The listing for Domino's Pizza woods is one I thought she had done but she is working on one but has not completed it. If you have any Domino's woods, please make copies so she can include as many as possible. The Sambo's list I have is 19 pages-over 1000 different pieces. I have not included anything I haven't owned. I had hoped to get the rights to Merlin Malehorn's "Coffee Anyone" book but several inquiries to the address I had for him have received no response. I also have not gotten them back as undeliverable. Somebody is getting them but not replying.

**HAPPY HOLIDAYS**

### A gift from some Friends

Today I opened the mail and found that Colin Bruce II from Iola, WI, a well known numismatic personality from his years of editing the Krause World Coin books, had sent me the American Legion woods pictured here. An other friend emailed me the poem below which as a disabled veteran moved me quite deeply. Since few of you sent me anything to fill these pages with I have taken the liberty of sharing it with you. I hope if you do not enjoy it, that it will at least make you think of those that probably aren't enjoying what you are, while they do what they are told is necessary to keep things as good as they are here.

### A Different Christmas Poem

The embers glowed softly, and in their dim light,  
I gazed round the room and I cherished the sight.  
My wife was asleep, her head on my chest,  
My daughter beside me, angelic in rest.  
Outside the snow fell, a blanket of white,  
Transforming the yard to a winter delight.  
The sparkling lights in the tree I believe,  
Completed the magic that was Christmas Eve.  
My eyelids were heavy, my breathing was deep,  
Secure and surrounded by love I would sleep.  
In perfect contentment, or so it would seem,  
So I slumbered, perhaps I started to dream.

The sound wasn't loud, and it wasn't too near,  
But I opened my eyes when it tickled my ear.  
Perhaps just a cough, I didn't quite know, Then the  
sure sound of footsteps outside in the snow.  
My soul gave a tremble, I struggled to hear,  
And I crept to the door just to see who was near.  
Standing out in the cold and the dark of the night,  
A lone figure stood, his face weary and tight.

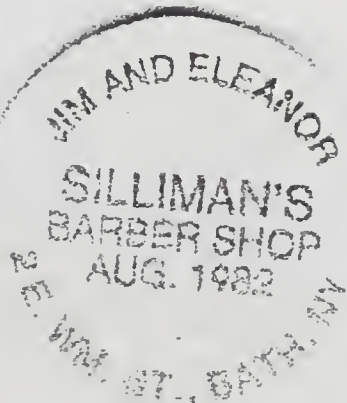

A soldier, I puzzled, some twenty years old,  
Perhaps a Marine, huddled here in the cold.  
Alone in the dark, he looked up and smiled,  
Standing watch over me, and my wife and my child.  
"What are you doing?" I asked without fear,  
"Come in this moment, it's freezing out here!  
Put down your pack, brush the snow from your sleeve,  
You should be at home on a cold Christmas Eve!"

For barely a moment I saw his eyes shift,  
Away from the cold and the snow blown in drifts..  
To the window that danced with a warm fire's light  
Then he sighed and he said "Its really all right,  
I'm out here by choice. I'm here every night."  
"It's my duty to stand at the front of the line,  
That separates you from the darkest of times.  
No one had to ask or beg or implore me,  
I'm proud to stand here like my fathers before me.  
My Gramps died at 'Pearl on a day in December,"  
Then he sighed, "That's a Christmas 'Gram always remembers."  
My dad stood his watch in the jungles of 'Nam',  
And now it is my turn and so, here I am.  
I've not seen my own son in more than a while,  
But my wife sends me pictures, he's sure got her smile.

## A New York Semi-official and a personal

Jim Silliman is an old time collector who makes woods for historic occasions in the Bath and Coning area of NY State as well as personal woods. He made 1000 each of these woods. If you would like one of each send Jim a self addressed stamped envelope (SASE) at Jim Silloiman7456 State Road 54, Bath NY 14810

## Previously unknown Pennsylvania Official

### West Pittston PA 1957 wooden 5¢

This is a previously unlisted Pennsylvania official wood. Sorry but this example is the only one I have seen and it is in awful shape. Not only is it faded badly but it is also been broken and glued back together. I verified this with the West Pittston library and heard they are looking forward to their sesquicentennial in 2007.

Sure hope they make some woods for it!

## A Different Christmas Poem (con't)

Then he bent and he carefully pulled from his bag,  
The red, white, and blue... an American flag.  
I can live through the cold and the being alone,  
Away from my family, my house and my home.  
I can stand at my post through the rain and the sleet,  
I can sleep in a foxhole with little to eat.  
I can carry the weight of killing another,  
Or lay down my life with my sister and brother..  
Who stand at the front against any and all,  
To ensure for all time that this flag will not fall."  
"So go back inside," he said, "harbor no fright,  
Your family is waiting and I'll be all right."

But isn't there something I can do, at the least,  
"Give you money," I asked, "or prepare you a feast?  
It seems all too little for all that you've done,  
For being away from your wife and your son."  
Then his eye welled a tear that held no regret.  
"Just tell us you love us, and never forget.  
To fight for our rights back at home while we're gone,  
To stand your own watch, no matter how long.  
For when we come home, either standing or dead,  
To know you remember we fought and we bled.  
Is payment enough, and with that we will trust.  
That we mattered to you as you mattered to us."

## Merry Christmas

Enclosed you should find my attempt at making a Holiday wood. Rest assured that the thought behind them is much better than the quality of the wood you received.

If I am still in this job next year there will be order forms for holiday woods in the September issue. Be sure and pay your dues so you will see it.
